

SEEK²²

Feb 4-6, 2022

“Seek, and you will find.” (Mt 7:7) SEEK22 is a multi-day event centered on helping participants encounter the heart of the Gospel. With exciting talks from some of today’s best Catholic speakers, times for prayer and the sacraments, deep discussions on relevant issues of the faith and community fellowship, SEEK will give you the hands-on experience you need to go deeper in mission with your local parish community.

How to Host SEEK at Your Parish

Assemble one or more small groups of up to 10 people each and register them at seek.focus.org. Then decide whether you want to host SEEK live on Feb 4-6 or create your own timeframe to launch after Feb 6.

- **Live talks Feb 4-6:** Plan your SEEK experience around the schedule of live video talks, adding in times for in-person discussion, meals, adoration, Confession and Mass. In addition, consider attending the in-person SEEK *Philly* event on Feb 5 as part of your plan (see right).
- **Recorded talks after Feb 6:** SEEK will make all talks available to registrants after the live event for up to 6 months. Plan a SEEK experience at your parish on any dates you wish, weaving together the talk recordings with in-person discussion, meals, adoration, Confession and Mass.

For full details and small group registration, visit: seek.focus.org.

Grants for Parish SEEK Groups

The registration cost for a SEEK small group is \$565 per group. The Office for the New Evangelization has a limited number of \$350 grants available to help offset this cost. To request a SEEK22 grant, please send an email to Meghan Cokeley at mcokeley@archphila.org.
