*All Friends and Neighbors are welcome to join us as we pray and remember, seeking new hope from God.*

**We remember** that tragic day when each of the World Trade Center towers in New York City were struck and fell, killing 2,983 men, women, and children, as well as the corresponding attack on the Pentagon, and the crash of United Airlines Flight 93 in Pennsylvania.

***We celebrate and believe*** in God, who calls us to be His co-creators in this time, builders of a better tomorrow, and collaborators in doing good works with each other for a better world.

*Please share this information with people of good will so they can join us.*
