April 25, 2026 Marriage Enrichment Day

Discover how to build a Christ-centered partnership that thrives in every season of life. Are you seeking to nurture your marriage and grow together in faith and love?

“Leading Catholic Relationships” is a dynamic workshop designed especially for Catholic couples who desire to deepen their connection, resolve conflict peacefully, and fully live out their vocation as husband and wife. Rooted in Catholic values and inspired by the wisdom of the Church, this engaging presentation will equip you and your spouse with practical tools to communicate with greater compassion, honesty, and understanding.

Use The 5 Levels of Maturity Framework to hold each other lovingly accountable, strengthening trust and unity:

- Embrace the diversity of your unique personalities and backgrounds as gifts that enrich your marriage.
- Navigate disagreements with grace, patience, and forgiveness, following Christ’s example
- Give and receive affirmation in ways that build up your spouse and your relationship
- Foster a home environment that encourages creativity, joy, and spiritual growth
- Keep your relationship focused on your shared mission: serving your family, your parish, and your community
